

Dear All KSC Swimmers, Parents and Carers

We have now received official confirmation that from Thursday 3rd December we can once again return to Kimberley Leisure Centre for our Swimming Club sessions.

With this in mind we will be pleased to welcome swimmers back to the same weekly session they were swimming in immediately before the November lockdown. We will have the same COVID-19 secure protocols in place again and would like to remind everyone to remember their face masks.

For the present time we will continue to offer a single weekly session to swimmers but if your swimmer can't swim their session, please text Alan on **07929 575199** so that he can offer the place to another swimmer. If you would like to be considered for another session when someone cancels, also let Alan know.

We will swim up to and including Wednesday 23rd December before taking a break for Christmas and we hope to be able to provide some "swim time fun" for our swimmers in the 3 weeks leading up to Christmas as we bring this difficult year to its close.

@ Alan and all teachers and poolside support volunteers who cover our weekly sessions - dust off your Christmas hats, festive outfits and Christmas pool activity games ready to kick off December back at KSC.

@ all swimmers - brace yourself and see if you recognise the volunteers.....

See you all soon

Everyone from KSC
